Apex Group Of Higher Professional Educational Institutions

Apex Super Specialty Hospital.

Apex Welcare Pvt. Ltd., Varanasi

It is my privilege and pleasure to appraise the teachings of “Sushruta” & “Florence Nightingale”. Apex College of Nursing is an “Institute of Excellence” managed by well-known apex Pvt. Ltd., which is also running Apex hospital, a pioneer institute of health care, diagnostic and research.

The Indian Nursing Council & U. P. State Medical Faculty has approved Apex College of Nursing for conducting M.Sc. Nursing, B.Sc. Nursing, Post Basic B.Sc. Nursing, General Nursing & Midwifery and Auxiliary Nursing & Midwifery courses including clinical experience with the aim to fulfill the requirement of nursing staff and government & non-government health sector not only in the country but abroad as well as in the private health sectors.

The Indian Nursing Council & U. P. State Medical Faculty have allowed us for an Intake of 20 students per Year in M.Sc. Nursing course, 60 students per year in the GNM Courses, 30 Students per year in the ANM Courses, 50 Students per year in the B.Sc. Nursing courses and 30 students per year in the Post Basic B.Sc. Nursing courses.

The institute has attached itself with well-equipped 500 bedded Super Specialty hospitals of all specialties to provide best quality education and specialized training facilities for students.

The faculties are well known in their field and the facilities provided to students are excellent. At the institute, facilities for computer education, training and internet are made available from the very beginning for advancement of students.

Our goal is to emphasize on the art of human communication from the very beginning of training. Our nursing laboratories are fully-equipped with all modern equipment of International standard and well trained faculty and staff.

Apex College of Nursing, offering 2 year M.Sc. Nursing course, 4 year B.Sc. Nursing course, 2 year Post Basic B.Sc. Nursing Course, 3 year General Nursing and Midwifery course & 2 Auxiliary Nurse & Midwife (ANM) respectively, we are committed to provide quality education as per Indian Nursing Council Guidelines. These courses are approved by the Indian Nursing Council, U.P. State Medical Faculty & Govt. of Uttar Pradesh.

I wish good luck and bright future to all aspirants.

Apex Hospital Cancer Institute and

Apex Super Specialty Hospital &

Apex Group Of Higher Professional Educational Institutions

Apex Welcare Pvt. Ltd., Varanasi

It gives me great pleasure to welcome you to Apex College of Nursing.

This institute believes that the Diploma and Bachelor course in Nursing will prepare nurses for front ranking position in nursing, both for the hospital and community services. Practice of nursing requires a good understanding of basic principles of nursing and exposure to the latest developments in nursing sciences and technology. Students are groomed to develop a sense of pride in their profession and an insatiable desire to update their skill in course of regular discharge of their professional duties. The Faculty of the institute of nursing develop the students are competent and compassionate professionals who are empowered to accept any challenges in their professional career.

Apex College of Nursing is a great place to learn. In our history we have developed an outstanding academic traditions helped by caring and dedicated teachers committed to students' learning and with support from the parents.

This institute would be unique as it should produce not only nurses with an ability to translate academic information into hospital and community, application for also social nurses with a firm commitment to create a better world.

I wish everyone success.

Message from the Desk of Principal

Prof (Dr) R. Johncyarani

M. Sc,(N) Ph. D.

Principal

Apex College of Nursing, Varanasi

One country progress is depends on the health of people living in the country. Good health gives an opportunity to the people for the development of nation. It is strongly accepted by every nation that Nurses are the backbone of entire heath care delivery system. We, the faculty of nursing take up the responsibility in promoting nursing education based on scientific principles, and evidence based approach relating to theory and practice, in order to produce skilled, highly competent and qualified nurses, to face the challenges.

We believe and promote our National father's philosophy of education that is education is determined by the all-round development of mind body and spirit, So that our nurses are giving comprehensive health care to the people.

I am very much confident that our Apex College of nursing will create history in nursing education in India and overseas as well by ensuring a steady flow of trained professionals who meet the international standards in terms of quality of education and service provided.

I extend my hearty welcome and wishes to all the aspirants to join their hands with us for their academic journey to turn out as a successful nursing professional

About Us....

APEX HOSPITAL &

Apex Paramedical Institute

established under the aegis of Apex Welcare Pvt. Ltd. (Registered under Varanasi Corporation Act, U.P. Government and Companies Act, Government of India). This institution was a dream-project of a group of young people who took their inspiration from Prof.

S.M. Tuli, a renowned Orthopaedic Surgeon and Great Teacher of the country. The institution was set up with a noble mission of providing health care and social services to the society. A spread wide Apex Hospital campus was designed where the institution expanded and took shape of a multi specialty medical and research center of high standard offering excellent ultra-modern diagnostic and therapeutic facilities at an affordable cost. Finally the institute was dedicated to public on 22nd December 1996 as Multi speciality Research and Referral Hospital in Varanasi.

Over a span of 20 years the hospital got affiliated to many government and non-government corporate sectors as well as with many national and USA aided NGOs.

Acknowledging the acute shortage of nursing personnel in the health care sectors, Apex Hospital and Apex Paramedical Institute initialized to train nurses and prepare well-qualified nursing personnel. After getting due approval from the U.P. Government, the Indian Nursing Council (INC), New Delhi & the

U.P. State Medical Faculty, Lucknow in 2008, Apex School of Nursing started offering Diploma Course-General Nursing and Midwifery with an intake of 30 students per year. Acknowledging the high standards of the School's academic infrastructure, the INC, New Delhi allowed the Apex School of Nursing to enhance its yearly intake of students from 30 to 60. Auxiliary Nurse & Midwife (ANM) course has also been introduced.

Apex Hospital and Apex Paramedical Institute is located in the heart of the city, Varanasi on the DLW Hydel Road. This institute was

Apex College of Nursing

However, the need for preparing graduate and post graduate nurses was felt, who, it was thought, after completion of their course would make a quality impact in grooming efficient and competent nursing community of global standards, through their quality teaching and training process. Apex College of Nursing came into existence in 2009. After

obtaining approval from the U. P. Government, the INC, New Delhi and the U. P. State Medical Faculty, the institution started B. Sc. Nursing course of 4 years duration with an intake of 50 students per year. Apex College of Nursing was previously affiliated with the Chhatrapati Shahu Ji Maharaj Medical University (CSMMU), Lucknow erstwhile King George Medical University. Considering the betterment of students of locality, now the college is affiliated with prestigious Mahatma Gandhi Kashi Vidyapith, Varanasi. Since 2021 Apex College of Nursing is affiliated with Atal Bihari Vajpayee Medical University, Lucknow. This is the first Private college in eastern U.P. offering degree course in nursing.

Both the Apex School of Nursing and the Apex College of Nursing are making commendable progresses, broadening its academic wing. The Apex College of Nursing has started Post Basic B. Sc. Nursing course of 2 years duration which is another milestone. This will cater to the educational needs of the thousands of diploma holder nurses in and outside the state who would be able to pursue higher studies and upgrade their educational and professional status and standards.

OUR MISSION AND VISION

It is a well-acknowledged fact that a strong educational foundation is essential for the enhancement and success of any academic endeavors and professional excellence. These institutions are developing under the dynamic leadership of world-class visionaries - Dr. Santosh Kumar Singh, Chairman and Dr. (Mrs.) Krishna Singh, Patron of the Apex Hospital and Apex Paramedical Institute, Varanasi. Their noble efforts are directed in motivating young minds and grooming young talents as competent, compassionate, committed and dedicated work force ready for nursing care services in a wide range of health care sectors.

These institutions, with an assurance of innovative teaching practices focus on preparing nurses with real-life knowledge, with good professional credentials, with excellent behavioral skills and with quality operational acumen ready to deal with demanding, complex, diversified nursing care services with vigor and zeal.

PHILOSOPHY OF NURSING

We believe that, health is a state of well-being that enables a person lead a physically, psychologically socially and economically productive life. Health is a right of all the people. All the individuals, families and communities have responsibilities towards maintaining their own health.

We believe that, nursing is the unique function of a nurse

- that is to assist an individual, sick or well, in the performance of those activities contributing to health, its recovery or to a peaceful death, that he or she would perform unaided if he or she had the necessary strength, will or knowledge and to do this in such a way, so as to help him or her gain independence as rapidly as possible.

We believe that, education is a teaching-learning process. Nursing education is a program of systematic training and instructions of nursing sciences.

The scope of nursing practice encompasses provisions of promote, preventive, curative and rehabilitative aspects of care to people throughout the life. The biological sciences, the behavioral sciences, the technological innovations, that constitute nursing science touch all aspects of human life.

We recognize the need for good interpersonal relationship; best of cooperation perfect communication with the allied professionals are essential prerequisite for effective nursing care.

We acknowledge that, the need for nursing is universal all discriminations related to caste, creed, nationality, race, age, gender, political status, social etc. are to be restricted.

We believe that, the nursing students need to have an all-round development through varieties of curricular and co-curricular activities.

We believe that, nursing is based on values of caring and aims to help people to attain independence in self-health-care. It necessitates development of compassion and understanding of human behavior on the part of the nursing students and the nursing community to provide nursing care to patient and people with respect and dignity and also protect the health-rights of the people.

OUR CONTRIBUTION

At Apex College of Nursing we are providing 5 nursing courses namely –

- o M. Sc. Nursing
- o B. Sc. Nursing Course
- o Post Basic B. Sc. (P.B.B.Sc.) Nursing Course
- o General Nursing & Midwifery (GNM) Course
- o Auxiliary Nursing Midwifery (ANM) Course

GOALS TO ACHIEVE

- * The institution strives to pursue constant endeavors to build a high standard academic infrastructure with quality resources and quality facilities and create a center of excellence in nursing teaching and training.
- * The institution aspires to groom nursing students as sensitive, sensible, successful nursing professionals, who will be highly motivated to extend nursing care to people with all efficiencies and expertise.
- * The institution, aims to prepare nursing students as tomorrow's nurse leaders who will lead the future nursing society at national and global level.
- * The institution intends to establish as premiere nursing institution of the state, region and the nation.
- * Demonstrate understanding of life style and other factors that affect health of the people and also the promote, preventive, curative and rehabilitative aspects of health care.
- * Utilize the recent trends and technology in providing health care.
- * Communicate effectively with the members of the health team in order to promote effective interpersonal relationship.
- * Participate effectively as members of health team in health care delivery system.
- * Practice within the framework of code of ethics and professional conduct of acceptable standards of practice within the legal boundaries.
- * Provide comprehensive nursing care to every one irrespective of age, gender, nationality, caste, creed, political or social status.

on completion of the nursing courses the nursing graduates will be able to :-

- * Recognize health as a right of all people and is a state of well being that enables a person lead physically, mentally, socially, spiritually and economically productive life.
- * Develop scientific knowledge, skills and attitude as an expert nursing care provider.
- * Provide nursing care based on steps of nursing process and in collaboration with the individuals and people.
- * Demonstrate leadership and managerial skills in clinical as well as community health settings.
- * Conduct need-based research in various nursing care settings and utilize the research findings to improve the quality of care.
- * Proceed to function as nurse-educators, nurse clinicians, nurse-managers, nurse administrators and nurse researchers.

PROFILE OF THE NURSING INSTITUTIONS

The Apex College of Nursing is situated in the sprawling premises of the Apex Hospital and Apex Paramedical Institute in the heart of the historical and religious city of Varanasi, formerly known as Kashi. The Apex nursing institution is pioneering institution in the city of Varanasi and also in the State of Uttar Pradesh. This institution provides an aesthetic learning environment with various teaching-learning facilities like lecture-sessions, demonstrations, workshops, seminars, conferences etc.

Committees

The institution has formed various committees where members meet periodically so that academic Program can be organized systematically and can be conducted smoothly:

- Management Committee
- College Council Committee
- Curriculum Committee
- Coordination Committee
- Library Committee
- Disciplinary Committee
- Anti-Ragging Committee
- Hostel and Mess Committee
- Students' Welfare Committee

OUR PROFESSORS / FACULTY / TEACHERS

A good faculty is a precious asset of any institution. A good faculty can explore students' academic potentials and transform such potentials in to academic credentials.

Apex Nursing Institutions possess :-

- Highly qualified and well experienced Principal.
- Highly qualified and well experienced Professors, Associate professor, Assistant professor and Tutors.
- Highly qualified and experienced visiting faculty of Medical Sciences.
- Highly qualified and experienced faculty of behavioral sciences.
- Highly qualified and experienced clinical academicians.

ACADEMIC HIGHLIGHTS

Lecture Hall

There are 3 spacious lecture halls with 50-60 seating capacity. The lecture halls are well-lighted, well ventilated, esthetically designed and furnished with adequate seating facilities for the students. All the lecture halls are equipped with modern audio-visual gadgets like white-board, over-head projector, slide projector, epidiascope, LCD projector etc. which facilitate efficient and effective teaching learning sessions.

Library

Our library is an attractive book-house which has a rich collection of nearly 5000 latest edition of materials like text and reference books.

The library also subscribes to a good number of national and international medical and nursing

journals, periodicals, research-reports etc. Our library also provides with the internet facility which enables the faculty and the students to connect with a number of world web sites. The photocopier in the library facilitates the photocopying of important study-materials. The Hindi and English daily news papers keep the students abreast with the current happenings in and around the globe.

The well-spacious reading room provides a conducive environment which makes book-consultation and reading a pleasant experience for all the readers.

Laboratories

There are eight laboratories which are efficiently designed and equipped for demonstrations of various patient-care-procedures and where the students learn under the expert guidance of respective subject- teachers. These laboratories are:

o Nursing Laboratory

o Community Health Nursing Laboratory

- Obstetrics-Gynecology(OBG) and Pediatric Nursing Laboratory

- Anatomy and Physiology Museum

- Computer Laboratory

- Audio-Visual Aids Laboratory
- Microbiology, Pathology and Biochemistry Laboratory (In ApexHospital).

Students' Common Room

- There is a Students' Common Room where the students can relax during their lunch break and take lunch.

Drinking water

- There is water cooler in the institution building which provides safe and cold drinking water during summer season.

Toilets

- The institution has separate gents' toilet and ladies' toilet which are aesthetically designed with adequate water facility.

OTHER FACILITIES

Hostel and Mess

There are 3 girls' hostels. The girls' hostels are conveniently located in the institution-campus. The hostels together can accommodate about 200 students. The students who are coming from out station are encouraged to stay in the hostels which provide security, ready-made wholesome meals and a conducive environment suitable for study. The hostels have provision for 24 hours electricity and water supply through generators.

The rooms are well-ventilated, well-furnished and provide each student with a cot, a set of study-table and a chair and a locker for keeping their valuables. The hostels provide water coolers (for purified cold water during summer season). There are T. V. sets in the hostels which provide both news and entertainment to the hostellers. There are sick rooms in the hostels which are located near the Warden's room and where students with minor illness are taken care of. There are two Wardens

for the hostels.

The mess provides vegetarian and non-vegetarian food prepared hygienically. The dining hall is spacious with adequate sitting capacity and hand washing facility.

Visitor's Area

Local guardians authorized by the parents of the students may visit the students periodically during visiting hours in the visiting area.

Parents, local guardians and visitors can meet the students only in the visitors' hall, specially made for them and not in any other place. Students are discouraged from taking their visitors to their rooms along with them when they meet the visitors.

Health Care Facility

The students have to undergo health check up on admission in Apex Hospital to ensure their sound health status during the academic years.

During any major illnesses, the students are provided with diagnostic and treatment facilities in the Apex Hospital with a concessional rate.

Scholarship

The students are provided with the students' scholarships by the Government of U. P. The students who meet the scholarships.

Transportation

The institution has three buses which transport the students to various clinical, community field and educational tours.

Sports and Games

The institution-campus has a playground where the students can take up sports of their choice like badminton, volley-ball, lawn tennis etc. There are indoor game items like Carom, Chess, Ludo, Card set etc. Games and sports competitions are organized for the students annually.

Cultural Activities & Ceremonies

There is a Multipurpose Hall, where students organize cultural events & ceremonies like Oath Taking Ceremony, National Days, Saraswati Pooja, Fresher's welcome party, Farewell party & other academic conferences.

Social' Welfare Activities

The students are also provided with the opportunities to participate in various social welfare activities such as health rallies, healthcamps, health talks which are organized by the institution and other social service organizations.

Nursing Scientific Exhibition

Seminars Conferences and Workshops

The institution organizes various seminars, conferences, and workshops etc. from time to time which provide the students wider perspectives of the health-care services, and nursing care services, social services at the regional, national and global level.

Student Nurses Association (SNA)

Each student has to take the membership of SNA, a students' wing of Trained Nurses' Association of India (TNAI), New Delhi.

This membership enables the students to participate in SNA conferences and competitions at the state and national level.

Educational Tour

The educational tours for the students are organized from time to time, which boost the knowledge and experience of the students.

Canteen

There is a canteen, an ice cream and coffee parlor in the campus which are attractive eating joints for the students.
